We are your most convenient source for genuine Parker components

Welcome to HopeDirect.com!

Today, you will find all the Parker parts you need in one convenient online location: HopeDirect.com. The folks at The Hope Group have created an eCommerce website that brings \$150 million in Parker components to you with 1 or 2 day shipping.

HopeDirect.com offers:

- Hose and Fittings
- Valves
- Hydraulics
- Pneumatics
- Filtration
- Automation Products

The Hope Group operates Parker Stores throughout New England, which provide while-you-wait replacement of ruptured hose assemblies and access to a large inventory of fluid connector, hydraulic, pneumatic, and automation components. But, for your convenience, when our branch locations may be closed, you may use HopeDirect.com seven days a week, 24 hours a day, to get the same, quick, delivery of your Parker components.

Hope Direct ►►►

What if I have an item I can't find on HopeDirect.com?
 That's not a problem. You may dial our Customer Service team for any special orders.

How can I find what I need?
 You can search by Part Number, or search by general product category such as Hydraulics, Hose and Fittings, or Filtration.

Can I check past orders?
 If you buy the same thing on a regular basis, you may build a "cart," which will stay online for you to use or customize on your next visit.

Can I pick it up at the store?
 Right now, we only ship direct, but, you can see it's in stock and shipping the next day.

The Hope Group is pleased to bring you the most comprehensive and convenient eCommerce solution for all your Parker needs.
