Hope Direct ▶▶▶

Everything and more including metric and stainless steel adapters and fittings including Parkrimp, CPI/A-LOK, Legris, LIQUIfit, Parflex, Prestolok, Push-Lok, Seal-Lok and Triple-Lok are available for online purchase through HopeDirect.com.

The trained technicians at the Parker Store can provide immediate repair of ruptured hydraulic hose assembly up to 2" inside diameter and six wire braid while you wait. All industrial hose, hydraulic hose, thermoplastic and specialty hoses are available.

There are over 3,000 parts on-hand at each Parker Store and they are backed-up by over \$150 million in parts through our distribution network. Don't worry, we have it.

The Parker Store team can provide assistance with component selection and ordering.
